

# Happy Valentine's Day

If you haven't been with us for Valentine's Day, you need to get a move-on partner! You and your husband, wife, boyfriend, girlfriend, or partner will take part in a **Couple's Only** horseback ride out to beautiful Lake Grapevine.

Whether you are a Greenhorn, Advanced, or haven't seen either end of a horse since a childhood pony ride, we have all three levels to accommodate any rider.

You and your sweetheart will go through heavy woods with beautiful wildlife, and towering trees. You'll be grabbing leather for an hour and a half, then once back at the ranch, you'll settle in for some champagne and chocolate-covered strawberries courtesy of our Saloon girls. Don't forget your camera or smart phone...the pictures are FABULOUS!
