

# Birthday Parties

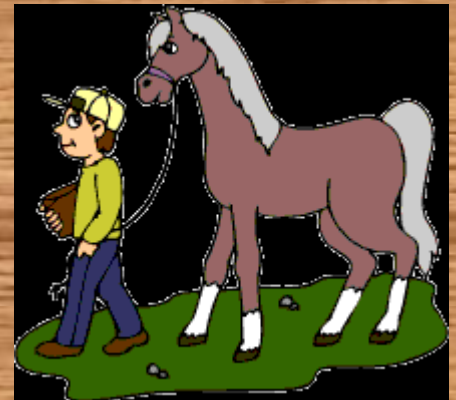

The birthday prices are the same as the riding prices, but for the parties you can reserve the Bunkhouse. It's a cute western house used for cake, presents, pizza, etc. There is no extra cost to rent the Bunkhouse; you just have to reserve it.

When you decide to have your party here, you'll need to give us a call and reserve a time slot and date. The party riding times are:

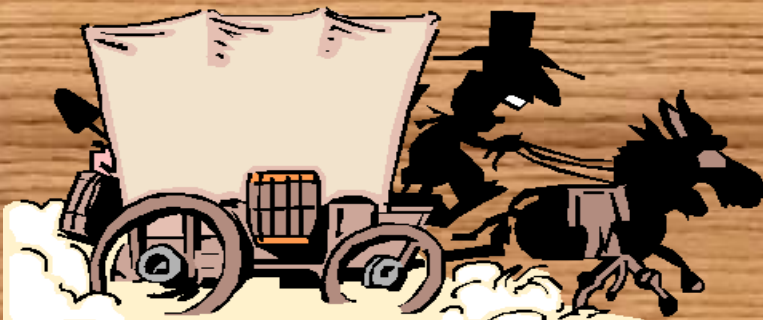

9:30 am	1 ½ Hour	\$65 per rider
12:30 pm	1 ½ Hour	\$65 per rider

For children 7 to 10, they are limited to five friends (including the birthday child that would make it six). For riders turning 11 years, they are allowed six friends. Riders turning 12 are allowed seven. Thirteen and older has no limit. You can have up to 14 riders total in any one riding group. Those that are not riding are welcome to stay back at the ranch and party for no additional charge.

Children 3 to 6 can ride with one of our female Wranglers. The Wrangler will sit behind them, on a double saddle. The cost is \$65 for Ride-Alongs. Do not include them in your head count of 7 to 12 year olds.

Hurry and get your date reserved before they're all gone.....
